Ms. Jordan,

Good morning,

So sorry for the late response to your voice mail, City Attorney is only one of my hats. I am responding to your inquiry regarding my position as it relates to advising the Mayor and Administration with regard to Professional Engineering Corporation. In response to your question: Yes, I will recuse myself from any interactions regarding contractual relations between Professional Engineering Corporation (PEC) and City administrators (the Mayor and City Counsel specifically). The City employs an Assistant City Attorney who serves in my place when necessary. He is capable of handling these duties in this instance. If you require any additional information, please do not hesitate to contact me. I appreciate your assistance in this matter.
